Dear Sir:

Having been appointed Club Report Manager for Wisconsin I am informer that I am to ask each club affiliated with the ARRL to inform me whether or not they are still "alive". At the same time I would appreciate each club including their address along with the name and address of the officer to whom correspondence is to be sent in the future.

As has previously been the custom, I suppose, each club must report to the Club Report Manager the activities of their club the preceding month. It would be greatly appreciated if each respective club could get the information to me by the 10th of the month so as to facilitate my getting it on to the Assistant Division Manager by the 15th or so. A failure to report will be taken as a dissolution of the club. This, month, I am told, but two clubs reported on their activities, possibly because of the fact that the appointment of a manager was pending. We sincerely hope this to be the reason and believe the succeeding months will see a change.

Anticipating your co-operation and awaiting your ealry reply, I am

Very truly yours

Elmer O Eisenman
